

NEW Husqvarna AutoMo

£2,850.00 ex VAT

Top-of-the-range with GPS-assisted navigation & Automower Connect compatible.

Husqvarna 450X Automower Robotic Lawnmower comes with X-line technology, GPS-assisted navigation and works with Automower Connect mobile app to keep track and control while out and about. The mower is low energy, no emissions, low noise and can manage tight passages, avoid objects and manages difficult terrain when set-up right.

NOTE: A Husqvarna Automower Installation Kit is required for your Husqvarna Automower to navigate and cut your lawn correctly. These are available for different lawn sizes and you should choose your installation kit accordingly.
